CANDY

We're going to start off 2018 as we mean to go on – with the bosomiest new British birds we can rustle up. It didn't take long to find Candy. She was banging down the office door on January 2nd, banging out a set half an hour later and banging the bejesus out of her very pleased-looking boyfriend she'd persuaded to come along for company five minutes after!

SHE'S GONE FOR A SONG

I've had my best shags with girls on the rebound. Alison was in this situation – and wanted to mark her freedom with a shag.

I was waiting for a train, when she asked what I was listening to. I told her and she said she'd fucked her ex to it once – and he'd finished before the song had!

That was a challenge. She gave me her number and I got so hard thinking about what I'd like to do with her I rang her at lunchtime to fix a date for that night. "Just come round mine after work," she said, which virtually had me creaming my jeans.

All she was wearing when I arrived was a bathrobe. She had the CD primed and ready as we flopped down on her bed. I tried to play it cool, moving back a couple of tracks, saying that I thought some foreplay might be good.

I went down on her and knew instantly her fingers had been busy: her clit was all puffed up, pink and slippery and her cunt was swimming with creamy juices. She seemed to like it best when I sucked her bud and fucked her with three fingers.

The song started so I

"she dug her heels in my arse and ran her nails up my back!"

MORE DIRT BAG ON PAGE 34

slipped my cock up Alison's cunt. I paced myself, not easy when you've got a gorgeous, horny woman grinding her sodden, tight pussy against your groin. If I slowed down, trying to hold back, she'd dig her heels into my arse and run her fingernails up and down my back. I just ground down harder, letting her take more of my weight, my hips parting her legs as wide as they'd go. She came before the end of the song and I carried on screwing her, burying my face in the crook of her neck so she couldn't see me grit my teeth as I strained to hold back. Finally, I thought, "Fuck it…" , so I arched my back, plunging in deep, as I shot my load.

She clamped her legs around me, holding me inside her. Then she whispered that she was going to suck me clean.

Her tongue flicked over my helmet, lapping up her own fuck juices, but I soon got into what she was doing to me. I don't remember going soft – she started sucking my prick, her nails scratching gently at my balls as she sucked and licked my helmet.

This time it wasn't foreplay – she wanked me against her tongue, her hand squeezing tight as my shaft slipped in and out of her fist. And I just went with it – I didn't try to hold back. She knew when I was cumming and she moaned with pleasure around my prick, letting the first jets of my spunk explode over her tongue, before pulling away to take the rest on her face and tits.

How anybody could chuck a dirty bird like that is beyond me!

Martin, Gloucs.

IT'S THE OPEN SEASON

Yes, I admit, I'm a real slut! I couldn't stick to one man. I'm just too into getting my pussy stuffed by different dicks. I like big ones, little ones, black ones, white ones.

So what happened? Why did I get married last year to this guy called Rich?

He doesn't have any option but to take my shit. He gets off on seeing me fucked by random strangers and loves to be dominated. Now that's a relationship I can stay in!
Also it means I can do whatever I want with no fear of an angry husband. That's a relief!
The other night I met a guy called Max and invited him back to mine.

Rich was already home and looked well pleased when I walked through the door with this stranger. I took them both upstairs and chained Rich to the bed. Then I got down on my knees and closed my mouth around Max's huge cock.

Max enjoyed my sucking for a few minutes, then pushed me to the ground and thrust his hard cock up into my wet cunt.

I gasped as he drove into me and soon started to cum all over his balls.
He kept pumping me as I came, then pulled out and shoved it in my mouth. "Swallow it," he said, then squirted warm cum all down my throat. I drank as he came and when he was done, he left.
Rich loved watching me getting fucked and came all over my hand when I wanked him off. Now we're looking for more guys to join our sexy fun.

Stella, Bristol.

The NFL are thinking of setting up a permanent London-based team – just in case us Brits were worried we didn't have enough Yank crap bunging up the works: Black Friday, gun crime and endless re-runs of Friends. We might look more kindly on these steroid-addled bladder-chuckers if the game wasn't so dull so we commissioned Satine to see if she could spark a flicker of interest in American football. We think she's just about pulled it off. Now if she could do the same to us!

A BIT OF BACK DOOR FUN

> "Andy parted my labia with his fingers so my hot juices would just drip out"

My man, Andy, calls me his little anal fiend. Not the most romantic name, but it's a fair one. He taught me to take a cock up my arse, taking ages over lubing and opening me up first, and now it's my favourite kind of sex. I don't know why, but I always seem to come quicker, and much harder, when I'm being screwed up the arse.

A few weeks back we were having a long, slow fuck. I was sat on Andy's lap, facing forward, with my legs stretched out on top of his, so his prick was buried to the hilt in my backdoor.

He didn't thrust, just moved his hips and stirred his prick around inside me. Meanwhile his hands would either be cupping my tits, pulling on my nipples, or he'd have a couple of fingers up my cunt while his other hand played with my clit.

It was like I couldn't stop cumming – as soon as I came down from one orgasm, my cunt and arse would go all tight and tingly again, and I'd feel myself going into spasm. Andy'd part my labia with his fingers, so my juices would drip out of my hole to soak his balls.

When I was all cummed out and crashed out against him, unable to move – he rolled me gently onto my stomach and started fucking in and out, until he was flooding my arsehole with spunk. It was the horniest feeling – Andy lying over my body, his naked chest against my back, all warm and slightly sweaty from cumming.

And of course his big cock was still buried in my arsehole, his balls all bunched up against my cheeks.

One week he came home with a sexy surprise for me.

We stayed in, had a couple of drinks and took the phone off the hook, Andy giving me a bit of a massage which concentrated on my bum. My arse was all oiled up and ready for his cock, but instead he got out a string of seven big

round beads with a little handle on the end, which he slipped, one by one, up my arse. I must have looked a bit surprised and he said he couldn't believe I'd never heard of anal beads before.

I've got loads of other sex toys, though, and he got out my biggest dildo and a vibrator. There's something really horny about when he uses them on me, like playing doctors and nurses. He always acts really cool, like it's all about me and doing absolutely nothing for him, but he can't hide the hard-on it gives him.

He had me open my legs wide – just moving with the beads inside my arse gave me a little orgasmic twinge – and, when he slipped the dildo inside, I felt it rub against them. He fucked it in and out, really slowly, then switched on the vibrator and held it against my clit.

Instantly my hips began to buck. I reached up and started playing with my nipples – Andy loves seeing this – but it was too much. A couple more seconds would have sent me right off the scale and what Andy was doing to me felt so good I wanted it to last as long as possible. That wasn't long, mind – I started whimpering that I was cumming. I was clenching around the dildo – it was jerking agains his hand. Next thing I knew he'd grabbed the handle of the beads and started pulling them out of me, one by one. I nearly hit the ceiling it felt so incredible. All the while he was touching the vibrator to my clit – it just felt so intense.

Once I'd finished cumming, he eased his cock inside my snatch – I wasn't sure I could handle it, I was so sensitized from what he'd been doing to me. Once he was in, though, I started tingling all over again, myhole rippling around his shaft just before he pulled out and moved up so he could finish off all over my tits and face.

Janine, Tonbridge.

FACE FUCKED

Recently I got in touch on Facebook with an old schoolfriend James who I'd had a crush on at 12, although he had never shown interest and had picked on me a bit. He looked pretty sexy now and within an hour of hooking up we were snogging on his doorstep. If he'd learned one thing over the years, it was how to eat pussy. He hooked his thumbs between my labia, pulling them apart, stretching my pussy wide open. At first he just blew cool air – then breathed hot air – against my clit and slit, before plunging his tongue deep inside me.

His fingers felt over my clit, finding where I like it touched – I bucked my hips against his face when he hit the spot and, as he started circling with his fingertips, I ground hard against his mouth. In just a few minutes I felt my pussy tighten up – even I couldn't bring myself off that quick – and then my inner muscles started to pulsate around his tongue as it probed in even deeper.

James moved up to lie next to me, using his fingers to milk as much as he could out of my orgasm. As I lay in a daze he whispered to me that he'd only picked on me in the old days because he'd fancied the arse off me and hadn't had the bottle to tell me.

"Bollocks," I told him, feeling my way down to cup and fondle his balls.

He fucked me long and slow, sucking and nuzzling my neck and snogging me deep, his tongue fucking in and out of my mouth just like his cock was thrusting in my cunt. Still tender from cumming, I rubbed my clit against his hairy crotch, bringing myself back to the edge.

"Nice and hard…" I said, writhing under him, moving my hips a bit forcefully. He started ramming in, just as deep but faster, until I orgasmed again, clenched tight around his shaft.

He hadn't yet cum but just stretched out over me, his cock still hard inside me as he sucked and fingered my nipples, stringing out my orgasm even longer.

Then he started fucking me again, somehow managing to hold himself back for ages until, finally, he buried himself inside me right up to the balls and shot his load, several loads of his spunk spurting out of his bunched up balls to flood my pussy.

When I told him that he wasn't bad for an ex-spotty bastard, he pulled me over his knee, not believing I'd meant it as a compliment.

He didn't spank me, though – he slipped a finger up my arsehole and a thumb up my cunt, and frigged me mercilessly until I came again – hardly a punishment in anyone's book.

Things never got too serious but we both had a lot of fun together!

Andrea, Merseyside.

POOL PARTY

One rainy evening on holiday Louise and I were in a pub playing pool, when a couple of blokes came up and offered us a game of doubles.

Our forfeit for losing was having to snog each other - and Louise made sure we did it properly. We stayed there right up until closing time, and found out why they were so good.

Nick's uncle ran the place and they'd been playing since they were kids. It also meant we had our own private lock-in that night.

I knew Louise had her eye on one of them.

They went up to his room, leaving Nick and me alone in the bar, which suited me fine. He poured me another drink, then set up the pool table, telling me he was going to show me how to play. Actually, it was halfway to foreplay – he was literally bending me over the table and touching me all over, supposedly to get me in the perfect position to take a shot.

Then his crotch brushed up against my hip and I could feel he was hard.

That's when I decided I'd had enough of pool. I used my hands to pocket the balls, then hopped up on the table and lay back.

His tongue slid into my mouth as we scrabbled at our clothing.

He knelt in between my thighs, dipping his helmet in my welling juices, then pushing in with a smooth, slow stroke.

He had my legs right up against his shoulders, so he could fuck me even deeper, and with the rest of the bar pitch dark, aside from the pool table lights, I felt like I was part of a live on stage sex show! I started fantasising that we had an audience, that Nick was showing them how it was done, and I started to whimper with pleasure, like I wanted them to hear how much I was loving his cock.

He started to fuck me faster, our clothes rustling against the baize, and the wet, slurping sound of his prick pumping inside my pussy adding to the turn-on.

We didn't care who walked in on us by now! Suddenly I felt myself start to cum. Nick pulled out, using his fingers to squeeze and stroke every last pulse out of my orgasm. Then he asked whether I would I finish him off with my mouth.

With my head hanging back over the edge I could take him deepthroat, sucking every drop of my juices from his shaft. But what finally got him cumming was me sucking on his helmet, swirling my tongue all around it. I tasted the first salty drops, then swallowed as he shot the rest of his load down my throat.

Louise didn't emerge till lunchtime. We were all too tired for a rematch!

Charlie, Scotland.

BEATRIX

We love a girl who likes to be fucked whilst wearing nothing but stockings and high heels! "I'm your girl then," Beatrix tells us. "I'm not really a kinky girl, but there's something sexy about stockings. My boyfriend loves it when I put on my knee-high leather fuck-me boots and spread my legs for him."

LAUREN

Going down to the fridge in the middle of the night at Lauren's house may result in a midnight feast you may not have been expecting. "My sister and her boyfriend was staying over one night and I bumped into him in the kitchen at three in the morning drinking milk from the fridge," confesses the 22-year-old. "Without a word, I dropped to my knees and took a drink myself. We had to be totally quiet as my sister was in the next room and it made me laugh when he pumped down my throat while trying not to gasp with surprise and pleasure. I thought he was going to have a heart attack. Then I would have had some explaining to do to my sister!"

Jessica Drake is Wicked

Any Jessica Drake fans out there? I'm sure there's a few hundred thousand at least, which comes as no surprise given the way this woman can work a camera and Wicked studios have recognised this, giving the hottie her own compilation, complete with a bonus disc featuring her boxer swelling scene with Asa Akira in DNA. There are some of the best scenes of Jessica's career so far here, scene five might not be everyone's cup of tea as Miss Drake is joined by three trans stars, but even if that's not your bag, there is something for everyone on this DVD.
